## **\*\* The Double Keystone Mineral Sale \*\***

Happy 4th of July! I'm back from a very long collecting trip and ready to get back to the process of new updates and mineral auctions. In the meantime, I am going to give the big mineral sale one additional week while I get caught up on everything. For one more week, the discounts in the Keystone Mineral Showrooms will remain at half the listed prices or Double Keystone! All sale prices in both showrooms are now discounted 50% for a 75% discount off the original prices. Also, the 50% discounts for both the Tucson and Denver 2014 Showrooms are still there for the taking! And just to make the sale even more interesting, I'm now expanding it to include 50% discounts on almost every specimen in the Tucson 2015 Showrooms and deep discounts on all Gold and Silver Showroom specimens! Some Silvers will be discounted as much as 50%!! The sale has been an incredible success in June and I hope everyone takes advantage of the additional time and showrooms this week!

**Fine Mineral Specimens at 50% to 75% Discounts!**

Layaways are Available for all Sale Purchases!  
Purchase as many Discounted Specimens as you like!
