The 6th Tucson Show 2016 Showroom is Online!

The Newest Tucson Showroom opens today with over two dozen new show specimens, ranging from a Pederneira purple capped Elbaite to a Native Silver "feathers" specimen from a new find in Morocco! The selection is wide and varied and pretty amazing I think. The first part of a new Calcite Collection is also introduced in this long awaited update! I hope everyone will browse the new showroom. As always, all reasonable offers and layaways are welcome!
