New Updates - Auction Closing

We have added over 230 specimens to the website during the past two days. Old classics, attractive display pieces, rare species, etc. Something for everyone. To view the latest updates click here: [Latest Updates](#)

We currently have 149 new specimens up for auction. Some very nice things here! Some of the highlights include:

- classics such as Bisbee azurite, Australian cerussite, Mexican silver
- neat stibiconite after stibnites, including one from Serbia
- diamonds from Africa
- excellent barite from Montana
- neat ferberite from Peru
- beautiful matrix large spinel from Vietnam
- gemmy twinned fluorite from Mexico

You can find these by clicking on the [Auction Link](#) on our Home Page.

Many new specimens have been added to the Discount Galleries. Some attractive specimens at great prices! A direct link to this section is here: [Discounted Specimens](#)
