Subject: * * Update - The Tucson Mineral Auction Closes Tonight! * *

The Final Day of Bidding

This is the final call! The auction will close tonight at 8 PM CST / 9 PM EST!!

As with most summer auctions, bidding is slow with many of our usual bidders away on vacation. This represents a great opportunity for those who are able to take part in the final day of bidding. The auction bargains are everywhere!

Auction reserves have been lowered so many specimens are less than half price!

Please don't miss out! Take advantage of the closing tonight to add a high quality specimen (or two) to your collection. All reasonable offers are welcome.

Auction specimens #1 and #2 are now featured in a video on our facebook page! To see the videos, please visit this [Page Link](#) and select the HD option.

*** ALL Reserves have been Lowered! ***

Please email your best offers!
