New Updates - Auction Closing

We have added 91 new specimens to the website
. Look for more in the coming days. To view the latest updates click here: [Latest Updates](#)

This is a reminder that the auction will close this evening at 7 p.m. eastern standard time. We currently have 146 new specimens up for auction. Some very nice things here! Some of the highlights include:

very fine copper/silver from Michigan
excellent matrix boleite from Mexico
superb crystallized bustamite from Australia
well crystallized arsendesclowitzite from Mexico
neat very large stibnite crystals from China
old-time and choice large galena from the Tri-State
plus many other great pieces!

You can find these by clicking on the [Auction Link](#) on our Home Page.

Many new specimens have been added to the Discount Galleries. Some attractive specimens at great prices! A direct link to this section is here: [Discounted Specimens](#)
