**\*\* Just a Few Questions for our Clients \*\***

You're receiving this email because you are currently a member of the emailing list for The Mineral Gallery and Exceptional Minerals.

First of all, I want to ask if you're happy with the website and wish to remain a member of the emailing list to receive updates regarding new showrooms, auctions, and mineral sales. If you haven't visited the websites and made a purchase in a long time, I'd like to invite you back with a 30% discount offer on any website specimen of your choice and an additional 10% discount on any Keystone Room specimens which are already 75% off the original prices.

Secondly, I'd like to ask you if you have any suggestions which could help make the websites even better. I welcome all suggestions and this includes the auction as well. Online auctions are facing more competition every year and even though our format is somewhat unique with its offering of higher end specimens and best offer bidding, I'd like to improve the experience for all and this includes the auction length, closing times, and auction offerings.

Thank you for your time and help in improving the websites and as always....

*\* Thanks again for making us your choice for the Finest Minerals \**
