The Denver 2016 Mineral Auctions

The Denver 2016 Mineral Auction is open for bidding! In this incredible new auction are beautiful new specimens from the Denver Show with a selection of just a few showroom minerals, all listed at deeply discounted [suggested reserves](#)! Use these as a guide for your bidding. The best offers will win on closing night!

Instead of listing everything in the auction, I invite everyone to visit the auction and see the beautiful new specimens!

Almost

all are new specimens from the Denver Show and all are high quality pieces at a very low price level. I encourage everyone

to

email their best offers, even if they're less than the suggested reserves. All specimens need to find a home by closing night!
