Subject: * * Update - The Denver Show Mineral Auction Closes Tonight! * *

Closing Takes Place Tonight!

The NEW Denver Show Mineral Auction is now winding down and will close tonight, Monday, November 21st at 9 PM CST / 10 PM EST. The bidding is still very low and many beautiful specimens are looking for their opening offers!

GOOD NEWS - The Gallery Order Form and all Click to Bid auction buttons are back up and running. There should be no further problems with either.

*** ALL Reserves have been Lowered! ***

I want to find new homes for every fine specimen in the auction so I've just dropped the suggested reserve levels for the final two days of bidding. Please email your best and highest possible bid for the items you are interested in and I'll make certain you are entered. All reasonable bids and offers will be accepted!

Please email your best offers!
