The Denver 2016 Mineral Auctions

The Final Mineral Auction of 2016 is now open for bidding! This unique auction will again feature fine specimens of Native Gold and Native Silver but will also include some special offerings like an absolutely spectacular Covellite from Butte, Montana and a huge 7 cm tall Imperial Topaz crystal from Ouro Preto, Brazil!

This is only our second Gold and Silver mineral auction in nearly 19 years of auctions! Our first ran two weeks ago and was a huge success and the discounts in this one will be just as large on these rare and beautiful specimens. Good luck to all participants and hopefully you will win a new specimen for the Holidays!!
