*** The Pre-Tucson Mineral Sale ***

My apologies to all but our secure online order form is still not functioning properly. The problem is taking longer than expected to fix so if you wish to make an offer on items in the current mineral auction or place an order and receive the huge sale discounts, please email me directly at our main address:

kward@themineralgallery.com

Remember, the prices shown online are not discounted and I will apply the discounts when you place your order. These are our largest sale discounts and there is no limit on the number of specimens you can order at these low prices. You can even place your purchases into a layaway and pay over time.

The sale discounts will vary by specimen and showroom and will be as much as **50% OFF** the original prices displayed on the website. The Keystone Mineral Showrooms are also now double Keystone again which means those prices are **75% OFF** the original online prices. This is by far our largest sale of the year! Please reserve your selections early to avoid any disappointment. Our past sales have seen specimens move at an incredible pace and there is no limit on items!
