New Updates - Special Sale - Auction Closing

We have added another 30 new specimens to the website. You can check these out by clicking on the "[Latest Additions](#)" link on the home page.

We have moved five very good specimens in to the "On Sale Now" section. These are really great bargains currently at 75% off the listed price. This sale will only last one day. You can view these by clicking on the "[One Sale Now](#)" link on the the home page.

This is a reminder that the auction will close Tuesday evening at 7 p.m. eastern standard time. We have a terrific lot of 150 specimens up for auction this week. Some of the highlights include:

1. a superb cabinet barrerite from Alaska
2. excellent Red Cloud wulfenite
3. several showy fluorite specimens, and one good celestine, from Illinois
4. neat barite/calcite combination from Ohio
5. showy yellow mimetite from Mexico
6. a suite of attractive minerals from both Romania and Russia
7. a suite of neat thumbnail specimens

Plus many others. Click on the [auction link](#) on our home page to see these.

Quartz - Kazakhstan

Topaz - Pakistan

Barite - Morocco

Quartz - Russia
