The Denver 2017 Showroom Updates!

The newest Denver Showroom for this year's show is online. This time there are over two dozen fine specimens in the new offering, with many more to follow in the weeks to come! We acquired several major collections of fine minerals, including many classic specimens from around the world, and these begin to make their appearance in today's showroom! Enjoy the new update and please feel free to ask questions or make offers. Layaways are available.
