## **\* The Tucson Show 2019 Mineral Auctions \***

The Tucson Show has arrived and the auctions begin today! Beginning with this auction, the 30 specimens offered will have the largest discounts of any mineral auction to date with opening reserves set at 25% to 50% of the normal retail prices. The rest is up to you. You can bid under the reserve or above the reserve. Just remember, the highest bids at closing will be the winners and bids made under the reserves will need to be approved and may receive a counter bid. It doesn't get much better than this fine offering of high quality auction specimens and I hope everyone will take part. Have fun and Good Luck!!!
