# WEINRICH MINERALS

We continue to add new specimens to the website. I have just added a few super things to the site, including a set of very rare French azurite on tetrahedrite specimens. This will be the last gallery update until after Tucson. Be sure to check out our [Latest Additions](#).

This is a reminder that the auction will close this evening at 7 p.m. eastern standard time. There are 134 new auction specimens are now available.

Highlights include:

- A large gemmy rosy purple fluorite cluster from Illinois
- nice azurite from Bisbee, Arizona
- several good specimens from the Ojuela mine, Mexico
- many good thumbnails including a choice grossular from Vermont
- superb wulfenite/mottramite combination from Mexico
- large fine kidney ore hematite from England
- Plus many others
