Subject: New Auction - New Updates Soon

View our latest additions, plus the auction closes tonight!

WEINRICH MINERALS

We will be home from Tucson soon. We have thousands of new specimens to process and put on the web. There will be neat stuff in all price and size ranges, attractive specimens, classics, and rare species. Watch for new updates coming this weekend or early next week.

Some terrific new auction specimens have now been posted. Many of these were in our stock priced from \$500 to \$2500! This auction will close Tuesday evening, Feb 26, 2019, at 7 p.m. eastern standard time. There are 150 new auction specimens are now available.

Highlights include:

- a superb lustrous gem calcite from China
- gem blue aquamarine on matrix
- an excellent malachite after azurite from Mexico
- exceptionally good classic British calcite
- large well crystallized copper from Michigan
- superb ludlockite from Tsumeb
- large red crystals of vanadinite on matrix
- pink smithsonite from Tsumeb
- aesthetic silver from Mexico
- numerous choice fluorite and calcite specimens from Illinois
- Plus many others
