*** Introducing the Best Offer Showroom ***

Opening today, a New Showroom devoted to high end mineral specimens, all offered at huge discounts! Almost every specimen in this new showroom is discounted to half price and to keep alive the spirit of the mineral auction, all offers are welcome. I guarantee that no reasonable offer will be refused.

In this first update, there are over 70 fine mineral specimens offered. These will be offered for 2 weeks only and then a new selection of fine specimens will take their place. Don't miss out on this unique opportunity to add new specimens to your collection at huge savings off the original retail prices!

Dealer purchases are very welcome and our layaway option is available!
