## New from the Steve Szilard Collection: Quebec and Eastern Canada

I've added an update with great new specimens from the [Steve Szilard Collection \(click here\)](#). These are beautiful specimens from Quebec and Eastern Canada. This is the first of many more Canadian mineral specimens that will grace the website this year!

I've also added a post about [Steve Szilard \(click here\)](#) - I hope you enjoy it!

**Canadian Dollar**

The currency disparity is significant in favour of the U.S. dollar these days. My usual reminder - prices on the website are in Canadian dollars (if you are thinking in - or used to browsing online minerals in - US dollar terms).

If you are receiving this email in any format in which the above link does not work, the addresses are:
