New U.S. Specimens

I've posted new specimens from localities across the U.S. in this new U.S. Update ([click here](#)). These pieces are from the collections of Rock Currier, Robert Bartsch, John S. White, Pete Richards, Steve Szilard and from my collection too.

Hope you enjoy the update!

Canadian Dollar

The currency disparity remains in favour of the U.S. dollar these days. My usual reminder - prices on the website are in Canadian dollars (if you are thinking in - or used to browsing online minerals in - US dollar terms).

If you are receiving this email in any format in which the above link does not work, the address is:
