Subject: Betts Minerals - now back in New York City

Large Mineral Sale at John Betts - Fine Minerals

Many thanks to the collectors that helped me lighten load by making offers on my largest minerals.

I am now back home in New York City and all is back to normal. I hope to have new minerals posted for next Tuesday. But it may take some time to get organized again.

In the meantime, please visit my site to
see available minerals at:

[Mineral Galleries](#)

or cut-and-past this link into your browser:
