New Worldwide Specimens

I've posted a new [Worldwide Update \(click here\)](#), including great specimens of topaz, aquamarine, columbite (Fe), spinel and more, many of which are from the collections of Pete Richards and Steve Szilard. I hope you will enjoy them!

Canadian Dollar

The currency disparity remains strongly in favour of the U.S. dollar these days. My usual reminder - prices on the website are in Canadian dollars (if you are thinking in - or used to browsing online minerals in - US dollar terms).
