Subject: John Betts retiring at the end of December - All Minerals on Sale

John Betts - Fine Minerals holiday discounts

After 37 years as a mineral dealer, and 27 years running my mineral web site, I decided to retire at the end of December. I have photographed 83,000+ minerals and shipped them all around the world. And I worked entirely alone. I am ready for a rest.

All minerals must sell in the next 4 weeks.

Today I posted all [minerals priced above \\$100 at deep discounts](#), some in excess of 60% off retail. See the newly listed discount minerals at:

Additionally, I have decided to continue the [Half Price Sale on Minerals Under \\$100](#). See the sale at:
